

JOB DESCRIPTION

Position Title: **Team Member**

Working Title: **Rod & Chain Worker**

Class Code: 5602

Non-Exempt

EEO Code: 08

Effective Date: August 30, 2002

Major Function

Performs work involving the performance of field survey work as a member of a survey party team.

Essential Functions

Note: These are intended only as illustrations of the various types of work performed. The omission of specific duties does not exclude them from the position if the work is a logical assignment to the position.

Acts as a Rod and Chain worker on a survey party team. Holds the end of a survey chain or tape in measuring distances. Uses a survey rod to indicate reference points, or places rod where directed. Adjusts and reads level rod targets in obtaining elevations or in establishing elevations.

Drives stakes to indicate points and grades. Digs and searches for property corner markers. Cuts and removes brush and undergrowth from line of sight. Probes with steel rod for locating rocks or solid underground structures.

Operates County equipment or County vehicle in the performance of assigned duties.

Performs other duties as assigned or as may be necessary.

Minimum Qualifications

Knowledge of mathematics.

Ability to understand and follow oral and written instructions.

High School diploma or GED.

Must possess and maintain a valid Florida Driver's License.

A comparable amount of education, training, or experience may be substituted for the minimum qualifications.

Working Conditions

The work environment for this position is fieldwork. Most duties are performed while working in the outdoors and may require prolong standing or walking. Ability to perform physically demanding job duties, occasionally under adverse weather conditions. Duties performed in the field may require the incumbent to walk on uneven surfaces and terrain. Incumbent must follow safety procedures carefully.
